This contemporary suiting range offers a quality and durable working wardrobe - with the comfort stretch and improved crease resilience benefits of Lycra®.
2. Polyester/Wool classics with bootleg trousers - all styles are in Navy with key items also available in Black, Charcoal and Burgundy.

garment care

call for specialist advice

how to measure

A good fit is vital for a professional look and wearer comfort. Please follow these guidelines when choosing your garments.

- Take body measurements and do not measure over your clothing.
- Check whether the garment you are measuring for is sized in inches or centimetres. Use the same unit of measurement when measuring and placing your order.
- Ask someone else to measure you for greater accuracy.
- Take the measurement from the fullest part of your body.
- Do not pull the tape too tight.
- Choose the length of your item of clothing from an existing garment in your wardrobe.
- Always order the garment to accommodate the largest body measurement.

where to measure

- Bust or Chest** Measure over the fullest part of the chest under the arms and straight across the back
- Waist** Measure around the natural waistline - with the tape snug but not tight
- Hips/Seat** Measure the fullest part of the body, generally 20cm below the waist
- Inside leg** Measure from crotch to floor. What is your normal inside leg measurement?

garment care

Please read the care instructions provided on garment labels before washing. Follow these instructions carefully to maintain the good appearance and life of the garment.

- Wash dark and light colours separately. Colour can rub off onto other garments if washes are mixed.
- Keep garments with different fibre content separate when washing.
- Wash garments frequently to prolong their life - avoiding heavy soiling.
- Follow tumble drying instructions carefully as per the symbol on the care label.
- For best results 100% Cotton garments should be pressed whilst slightly damp.
- Reshape knitted garments whilst damp, and dry flat.
- Do not press lightweight garments with steam.
- Do not press suiting on the outside, press inside out or use a cloth and steam press lightly.

terms & conditions

General

These terms apply to all sales by Alexandra to the exclusion of any other terms unless otherwise agreed in writing.

Alexandra reserves the right to make changes to the items shown in this catalogue and to remove selected styles.

Delivery

Stock items ordered by 2pm will normally be dispatched on the day of receipt of order using our standard two working day delivery service. Anticipated delivery dates for non-catalogue or personalised garments may be confirmed at the time of ordering. Unless agreed in writing time is not of the essence.

Alexandra reserves the right to deliver the goods in reasonable instalments, in which case you shall accept and pay for the goods in reasonable instalments. Each instalment is to be treated as a separate contract.

Any claim for non-delivery of or damage to the goods in transit should be made within seven days of the date of the invoice for them. Our liability in respect of any such claim is limited at our option to replacement of the goods or refund of the price and does not extend to any indirect or consequential loss.

Price

The price of the goods will be the price ruling at the date of dispatch. All prices quoted exclude post & packing and VAT.

Any applicable post & packing and VAT is payable by you in addition to the contract price.

Orders up to a value of £150 plus VAT will incur a post & packing charge of £4.95 plus VAT per order for deliveries within most areas of mainland UK. A next day service, providing delivery by 5pm the next working day (Mon-Fri only), is available within most areas of the UK at a cost of £5.45 plus VAT per package, inclusive of any post & packing charge, up to a maximum weight of 25kg per package. Orders must be received by 2pm. In areas affected by a congestion charge a surcharge of 50p plus VAT per order may be added. In the event that the carrier is unable to deliver to you and a second delivery journey is required, or if the second attempted delivery is unsuccessful, in which case the goods will be returned to Alexandra, additional carriage charges incurred may be charged to you. Alexandra will not be liable for any consequential loss caused by failure of the carrier to deliver.

Any other additional services such as embroidery or other personalisation of garments, alteration to garments, manpacking etc. will incur an additional charge. Prices for these services will be confirmed at the time of ordering.

Payment

Invoices will be issued on the day of dispatch of the goods and must be paid within thirty days of invoice date, subject to status.

If you fail to pay us in full on the due date:

1. We may suspend or cancel future deliveries;
 2. We may cancel any discount offered to you;
 3. You must pay us interest at the rate equivalent to that set for the purposes of Section 6 of the Late Payment of Commercial Debts (Interest) Act 1998;
- a) calculated (on a daily basis) from the date of our invoice until payment;
 - b) compounded on the first day of each calendar month;
 - c) before & after any judgement (unless the court orders otherwise).

If you have not paid Alexandra all amounts due on an invoice and 45 days have passed since the due date for payment then Alexandra has the right to charge you an administrative fee.

Where copy invoices are requested faxed copies will be provided free of charge but there will be a charge of £1 plus VAT for copies required to be sent by post.

You are to indemnify Alexandra in full and hold Alexandra harmless from all expenses and liabilities Alexandra may incur (directly or indirectly and including finance costs and legal costs on a full indemnity basis) following any breach by you of any of your obligations under these terms. You are not entitled to set off any debt or claim against other amounts owing to us.

Risk & Ownership

The risk in the goods passes to you when the goods are delivered to the delivery address. Ownership of the goods remains with Alexandra until payment has been received in full for the goods and any other garments for which payment is also due.

Your Data

From time to time we may make our mailing file available to carefully selected companies whose products may be of interest to you. If you do not want us to pass on your details, please write to our customer care department at our Central Sales Office, email us at customercare@alexandra.co.uk or phone 0845 245 5020.

Insolvency

If (a) you make any voluntary arrangement with your creditors or become bankrupt or become subject to an administration order, or go into liquidation; or (b) you cease, or threaten to cease, to carry on business; or (c) Alexandra reasonably believes that any of the above events is about to occur and notifies you accordingly then you shall cease at once to use any goods not then paid for and shall on demand return any of them remaining in your possession. On making such a demand, we are entitled, without incurring any liability to you, to enter your premises and remove and repossess such of our goods as are to be found there, and also to cancel any contract with you.

Force Majeure

Where we are unable to perform due to any circumstances beyond our control we may suspend performance while those circumstances subsist and any agreed date or period for delivery shall be regarded as extended accordingly. If any period of suspension of deliveries lasts for more than three months, either party may cancel the contract by written notice without penalty.

Returns Policy

If any catalogue garments are not required for any reason we will be happy to replace them or to refund their value provided that; (a) they are returned to us carriage paid, unused (other than for the purpose of trying on the garment), within thirty days of delivery; (b) our invoice relating to the relevant goods has been paid by the due date; and (c) a written note is enclosed quoting the invoice number and stating the reason for the garments being returned. Garments which have been used but are returned within seven days under the terms of the Consumer Protection (Distance Selling) Regulations 2000, will also be refunded along a handling fee may be deducted from the refund. In the case of return of ten or more garments a handling charge relating to the administration costs incurred may be applied by Alexandra. Goods returned are done so at your risk and you are advised to use a service which provides a guarantee of delivery. This returns policy does not apply to non-catalogue styles, altered or personalised garments.

Cancellation

If an order for a non-catalogue style, personalised or altered garment is cancelled for any reason you will be charged for any garment, labour or fabric costs that have been incurred in processing the order up to the time of cancellation.

Warranties & Liability

Alexandra warrants that the goods will correspond with their specification and will be free from defects in material and workmanship.
