Inspire® 265

Better audio, better design.

Creative's Inspire 265 speakers combine performance, design and bass impact in a compact 2.0 format. People who want powerful audio in a stylish modern design will enjoy their combination of crisp, detailed highs and mids complemented by low-end support from the integral bass ports. Inspire 265s are perfect partners for desktop or notebook PCs as well as MP3 players and other portable devices. They're quick and easy to set-up and include a convenient headphone socket for private listening. Magnetic shielding enables them to be placed close to monitors while separate volume and power controls, with LED indicator, ensure easy control.

- **Technical Specifications**
 - 2.5 watts RMS per Channel (2 channels)
 - Frequency response 90Hz – 20kHz
