Debt collection – Poland – Europe – World

ICG – International Consulting Group is a professional debt recovery firm operating on the international legal services market.

One of the greatest assets of ICG is the global reach of its services, thanks to which we have gained an advantage over the competition, offering services in almost every corner of the world.

We provide debt recovery services throughout Europe, in Asia and some countries in Africa, and in the United States and Canada.

Experience, a qualified foreign-language personnel and collaboration with numerous foreign debt recovery firms and law offices allow us to provide services at the highest level in almost every corner of the world.

We do not limit ourselves only to typical legal proceedings, placing emphasis above all on resolving a case by an amicable route through the conduct of negotiations, this with the aid of well-tried and safe techniques of ‘pressure’ aimed at recovering those amounts due to our clients – with retention of good relations with commercial partners.

Contact us and we will gladly and rapidly present a specific offer for debt recovery in a given country - we are sure to be there already.

We offer advice on a full range of legal issues, for example:

- Representation of Clients in civil, labor and other cases
- Representation of Clients in commercial disputes
- Consultancy on business contracts
- Representation of foreign companies in Poland
- Consultancy on registration of enterprises

4. COLLECTING AGENCY STAMP

Seal the security of your transactions!

The collecting agency stamp (or debt recovery stamp) is a well-tryed and cheap method of persuading contracting parties to settle payments promptly. A preventive warning on sales invoices informs the recipient of the consequences of delays in payment – the referral of the debt for recovery by ICG – International Consulting Group.

For regular ICG clients the collecting agency stamp is made available for free use for the period of one year.
